Ramlal Raj: *Excuse me; please give me some rice, roti and dal.*

Waiter: *OK sir*

He eats tasty food of Dhaba with some money and goes to the city through the bus. He always falls on a passenger, and then he scolds him.

He goes to meet a landlord Mr. Ameer Desai who has renting business. So he meets him.

Ramlal Raj: *I'm Ramlal Raj. Good morning, I want a room for rent. I have some money for its deposit.*

Ameer Desai: *Okay I will give you today a room.*

(Mr. Desai calls all the tenants)

Ameer Desai: *All Motabhais there is new motabhai. He is Ramlal Raj new tenant.*

All the tenants meet Ramlal and he becomes friend with them. They all introduce him and he introduces himself. Even tenant Bihari Lal Yadav told him that he will give Litti Chokha party.

Sameer 'Sam' Rawat was a good tenant, he talked about his livelihood.

Sam: *Ramlal you have much money by which you can however live here for 1 month only, will you do any job.*

Ramlal: *I have come in search of a job only.*

Sam: *Nowadays in this city government doesn't does good work you should come and work in my company UlluTech.*

Sam: *OK, next morning we will go to my office and you will get the job.*

That night they eat Litti Chokha and the next morning they go to his office. Their Boss Mr. Peter Kawade interviewed him and he told him many things in Pure Hindi.

Thus, he was employed. And also humble and he didn't have any problem.

SUPER SHAKTIMAN SHOWS HIS POWER

Ramlal Raj with Sam was returning home through the bus. So over there he saw many people were doing protest for some government issue and luckily he also saw that some terrorists wanted to shoot the protesters.

So Ramlal told Sam to protest with those people.

Ramlal Raj: *Sam, we should also join the protest.*

Sam: *Yes we should join.*

They joined the protest and Sam became busy in protesting and Ramlal suddenly disappeared in the crowd and ran towards a secret place and there he made sure that nobody is seeing him.

He pressed the button of the watch “*Superhero Mode*”. And went inside the hearty circle and wore his superhero suit. And his voice turned.

In his watch he presses “*Slow the time*” button, and suddenly he came in front of the terrorists and all the protesters were protected by him

Leader of terrorist: *Hey you mad go away otherwise*

As the terrorist was about to shoot then he suddenly reached and the bullet hit his bulletproof armor. And he stopped them.

Super Shaktiman: *Stop, What will you do?*

Leader of terrorist: *Who are you?*

Super Shaktiman: *I’m **SUPER SHAKTIMAN**.*

Leader of terrorist: *After wearing a bulletproof armor you are thinking yourself a superhero, ha ha.....* (He was laughing with all the terrorists.

Super Shaktiman: *Do you want to see my superpowers. It will cause destruction so please I request you to leave this illegal activity.*

(He says many times and at last)

Super Shaktiman: *Will you stop this **ADHARMA**.*

Leader of terrorist: **NO**

Super Shaktiman: *Will you stop this **ADHARMA**.*

Leader of terrorist: NO

Super Shaktiman: *Will you stop this ADHARMA.*

Leader of terrorist: NO

He says it three times and then his *Agni Chakra* which is rotating at normal speed loses its control and start rotating with very high speed which increases his anger and his body starts burning.

The leader of terrorist told all the terrorists to shoot him but nothing happened to him. And there was a shootout and many people ran away.

Super Shaktiman uses magnetic power by pressing '*Magnetic powers*' in his watch. And everybody's weapons are taken and then Shaktiman throws the weapon little far from them.

And nobody is able to defeat him. And then his *Vayu Chakra* rotates and he also rotates and becomes a tornado. The tornado carries everybody including the leader of the terrorists. And the tornado goes to the nearest police station Khatara Police Station to Inspector Naktode

Super Shaktiman: *See, these are various terrorists who wanted to shoot the protestors that were protesting against them.*

Inspector Naktode: *Who are you? We were searching for these Terrorist, they are member of a dangerous Terrorist Organization.*

Super Shaktiman: *I'm the superhero of this era "SUPER SHAKTIMAN".*

Inspector Naktode: *There is prize of rupees one lakh fifty thousand (₹1, 50,000)*

Super Shaktiman: *I don't want it.*

Inspector Naktode: *But you should take it.*

Super Shaktiman: *OK, I would take and distribute to the poor people.*

When the terrorists were arrested a function was organized next day where he would be given the prize.

Even he was stuck in a great problem because Ramlal Raj was given lot of work also that day.

(Flashback) on the day when he punished terrorists

(Boss) Peter Kawade: *Ramlal, you should do you work tomorrow.*

Ramlal Raj: *Okay Sahab Jee*

He decided to ask this question from Guruji but he didn't and next morning. When he went to office, then they revealed that there boss went to that function.

Here on the stage many people and children were waiting for him.

Host: *Let's shout loudly "SUPER SHAKTIMAN"*

Seated people: *SUPER SHAKTIMAN*

SUPER SHAKTIMAN

SUPER SHAKTIMAN

SUPER SHAKTIMAN

While Ramlal with his friends was driving car but didn't know what to do? While they see a temple and he finally gets a chance to get out of car.

Ramlal Raj: *Friends let me go I want to pray God. And today is Somvaar of Sawan Maas according to Hindu Panchang, please let me go.*

He starts saying irritating mantra in an irritating voice.

Sam: *Okay you go.*

And he hides behind the temple. And again transforms himself through the special process by pressing the “**SUPERHERO**” button on his watch.

And flies and suddenly appear near everybody. Money is given to him by Mantri Ji.

Mantri Ji: *Take this money SUPER SHAKTIMAN.*

SUPER SHAKTIMAN: *I am SUPER SHAKTIMAN, the good superhero. I’m surprised to see many people seated over here. Only few people knew about me yesterday but by today the whole city knows me. But the money that is being given to me. I want to use this for poor people.*

And he again gives the money back to Mantri Ji and tells him...

SUPER SHAKTIMAN : *Mantri Ji take this money and please distribute it to the poor people.*

But he remembered that nowadays politics is not good there is corruption so he decides to distribute it himself to the poor and flies and reaches near a village and distributes money to poor people.

Many people are happy with him even children’s love him.

Thus, after that “**SUPER SHAKTIMAN**” becomes a Superhero of the city and also protects the city.

THE ANTAGONIST

In all of terrorists who escaped was saved and went to a planet known as **JHOOTH** in a big palace he went and called him

“ASATYA RAJ”(The King of Lie)

But who was he

Asatya Raj: *I am Asatya Raj, the king of asatya ha ha ha ha. What happened? How was your living in disguise of a human? Paapilal*

Terrorist (Paapilal): *I was living as a terrorist but a Superhero known as SUPER SHAKTIMAN came.*

He remembered that.....

(FLASHBACK)

One day when he was fighting with members of Dharma Rakshak committee. Then Gurudev Maneet, the father of Gurudev Vineet cursed him that.

Gurudev Maneet: *My son will have one of my student who will be the*

Asatya Raj (Jhootha): *No no, we should kill him. Paapilal go and suddenly kill him.*

Paapilal: *But Asatya Raj how? I don't know where he loves but whenever it is danger then he comes so I must try this Idea.*

Asatya Raj (Jhootha): *Yes you should do like this.*

THE FIRST ATTACK OF ANTAGONIST

Paapilal decides to destroy him. And he puts fires in a shopping mall after going on Earth. And even at that time Ramlal Raj with his friends including Sam, Bihari Lal, Bachchan Bhaiya etc.

Sam: *Friends, lets go to that clothes shop.*

Ramlal Raj: *OK*

(Everybody says OK)

But at that time Paapilal attacks a fire at that shopping mall. And everybody is scared and Ramlal Raj jumps out through a window and suddenly Super Shaktiman comes. He uses his rotating power to rotate like a wind and carries all the people of shopping mall to distance. And then he blows and it becomes a tornado and puts wswalloedr in it. This rotating tornado releases fire.

And then

Paapilal: *Super Shaktiman, you stopped the mall from burning but who will stop you from this attack of a special gem.*

Super Shaktiman: *Who are you? And how will you attack me.*

Paapilal: *I'm Paapilal, one of terrorist who was living as a human, I'm Asatya Raj Jhootha's servant Paapilal Asatya your main enemy's servant. He is God of Asatya (darkness), Andhera (darkness), Paap (sin) etc. And I can defeat you with a Asatya Mani (Lie Gems).*

He remembers that

(Flashback)

Gurudev Vineet: *Son, remember that despite having very much powers you have a weakness.*

Super Shaktiman: *What weakness Gurudev?*

Gurudev Vineet: *Your weakness is a Asatya Mani, which is strong due to Lie, corruption, darkness and sins in the world. Be careful from it because near it you can't speak also and if it will be for long time then you can also die.*

Super Shaktiman: *Is there any solution for it?*

Gurudev Vineet: *Yes if you will reduce Lie,corruption,darkness and sins in the world then it will automatically become very weak.*

Super Shaktiman: *OK gurudev.*

Then he tried to escape but Paapilal caught him and made him weak at a terrace of a building. But many people and children were crying for him. So Sam says

Sam: *We should save Super Shaktiman.*

One person: *But how, if Super Shaktiman can't defeat that demon then how will we fight.*

Sam: *This is due to that gems, so we should try to take it.*

Sam runs and snatches gems from him and after that he throws it very far from building and that gems get broken. And Super Shaktiman takes time to become stronger, and many people fight against him. After that Shaktiman hits him so hardly that he lands on Jhooth Planet in Asatya Raj's palace.

Asatya Raj gets angry and says

Asatya Raj: *You are unable to defeat our biggest enemy so you will get a punishment and do you know that Asatya doesn't give punishment of death but you will not die but you will be struggling.*

Paapilal: *No Asatya Raj please please.*

Asatya Raj: *Take him to the 'Asatya ka Jail'(the prison of lie)*

Paapilal was thrown in that prison.

Back in city Sam was searching for Ramlal Raj and asked Super Shaktiman for it.

Sam: *Super Shaktiman where is Ramlal my friend.*

Super Shaktiman: *Oh! Ramlal your best friend I saved him from falling through the building and sent him to his home.*

Sam: *Oh! Thank you*

Super Shaktiman(thinking): *He always cares for me and even my alter ego. So luck has given me chance to stay with him.*

Super Shaktiman suddenly disappears and through teleportation he reaches his home. And then bell rings. Through his divine vision that Sam is knocking

Ramlal: *Namaste Sam how are you?*

Sam: *I'm fine and happy with news that you are very fine. And do you know how Super Shaktiman saved.....*

(And he starts narrating the story of Super Shaktiman)

On another side Asatya Raj who is listening gets irritated and decides to attack the Super Shaktiman by another Antagonist.

NIGALASURA-THE DANGEROUS DEMON

Asatya Raj was thinking to send another demon

Asatya Raj: *I want to send the demon to kill Super Shaktiman.*
And suddenly at that time a servant came telling the news of Nigalasura.

Servant: *Asatya Raj, Nigalasura swallowed the Chakku Planet.*

Asatya Raj: *Why did he eat?*

Nigalasura: *Asatya Raj, I swallowed the Chakku Planet because I warned the king of that planet about you so I swallowed the whole planet.*

Asatya Raj: *You go and kill Super Shaktiman our villain.*

Nigalasura: *Oh! Who is villain of Asatya. I promise you Asatya Raj that I will kill Super Shaktiman.*

And then Nigalasura goes to kill Super Shaktiman. And makes him at normal size. And disguise himself as a normal person.

And then comes to his real identity. Everybody is shocked and at that time Ramlal Raj and Sam are working at office.

Ramlal Raj: *I think I should go to toilet.*

Sam: *OK Ramlal.*

And then he hides and transforms himself to Super Shaktiman and suddenly goes to meet him.

Nigalasura: *Ha Ha Ha..... I'm Nigalasura.*

Super Shaktiman: *Who are you?*

Nigalasura starts swallowing various towers, trees, cars, vehicles etc. And then Super Shaktiman puts fire on a car and throws it to him but Nigalasura swallowed it.

Super Shaktiman used his power, by his yogic powers; he extends his height as big as Nigalasura. Everybody was shocked to see the height of Super Shaktiman.

There is a fight between them. And in that fight there was a lot of destruction. And even due to weakness his height became normal and then through telepathy powers he decides to ask this doubt from Guruji

Super Shaktiman: *Guruji Guruji*

Gurudev Vineet: *What happened son?*

Super Shaktiman: *Guruji you are an Intermediate, so do you know that this Nigalasura is very strong whatever I attack on him he swallows.*

Gurudev Vineet: *As you know that his name is Nigalasura means Nigala=Swallowing and Asura=Demon. So he is the demon who swallows so you understand.*

Super Shaktiman: *Means that his powers is his stomach so I should go inside his stomach.*

Gurudev Vineet: *Yes go I give you blessing of victory.*

Then Super Shaktiman however troubles him like a housefly. After that he enters his mouth and saves himself from his teeth and enters his stomach where he sees red hot molten lava. And then he sees various things entering in his body, also many people are thinking about Super Shaktiman. But Shaktiman starts hitting him inside his stomach.

Then he comes to know that Shaktiman doesn't die so he takes a tank of poisonous gas. Super Shaktiman tries to keep it close and

doesn't get chewed by his teeth so he makes it stuck in his neck. After that in he breaks his teeth and comes out and again become powerful by yogic powers and increases his height and asks him three times.

Super Shaktiman: *Will you stop this **ADHARMA**.*

Nigalasura: **NO**

Super Shaktiman: *Will you stop this **ADHARMA**.*

Nigalasura: **NO**

Super Shaktiman: *Will you stop this **ADHARMA**.*

Nigalasura: **NO**

Then his Agni Chakra loses its control and he makes Nigala as fall to the ground and keeping his leg on him showing his victory and then his body starts burning and turns to ashes. His whole body becomes ashes but only head is left. Everybody including Gurudev stops him and he becomes normal. And then he throws his head to the palace of Asatya Raj.

He asks his Guruji that:-

Super Shaktiman: *Why didn't anybody stopped me? In my angriness I killed Nigalasura.*

Gurudev Vineet: *It is written in the fate of Nigalasura to die at your hands.*

Super Shaktiman: *OK Guruji.*

Everybody was happy with him and then he suddenly went to his washroom of office and became Ramlal and everything became normal.

But Asatya Raj learnt about it and became very upset. And was thinking about another attack.

INTRODUCTION OF GURUDEV VINEET

Just a day after when Nigalasura was killed there was a ceremony organized and the day when Nigalasura was killed then the day was known as Nigalasura Victory Day or Nigalasura Vijay Diwas.

Super Shaktiman arrived at time. The government rewarded him 10 crores.

Host: *Super Shaktiman is rewarded 10 crores so we request honorable Mantri Ji and Super Shaktiman to come on stage.*

Shaktiman tells some words.

Super Shaktiman: *From this I want to distribute 49 crores to all the poor citizens in this country. And I give this responsibility to the new NGO named as **Helpoor**. Which is owned by Mr. Anshuman Srivastava?*

Now Anshuman Srivastava tells some words.

Anshuman Srivastava: *I am glad to get this work we promise to Super Shaktiman that we will do our work.*

Super Shaktiman through his powers tells Gurudev to come. Gurudev is introduced.

The next problem was that Gurudev was forced to live in city.

Gurudev said

Many years ago I was cursed

(Flashback)

Asatya Raj: *I curse you that at a particular time you will leave your secret place and would be forced to live in city from an Amavashya to next Amavashya.*

And son that time has come.

Super Shaktiman: *Gurudev would you like to become Ramlal's Kaka (Uncle).*

Gurudev: *OK son*

And Kakashri aka Gurudev is introduced. They enjoy 15 days and also Gurudev learns that how Ramlal lives in City.

And a day comes when Gurudev aka Kakashri will go. But Ramlal telling that he wants to go so he also goes with Gurudev till Himalayas.

THE STRANGE CHILD

In these 15 days Asatya Raj was finding Gurudev in city but was unable because he had another identity. But then one of minister said to Asatya Raj that

Asatya Raj we should try to know the second identity of Super Shaktiman.

Asatya Raj: *But how?*

Minister: *Asatya Raj we should send one of our Representatives in disguise of child and maybe Shaktiman can tell his secret to that child.*

Asatya Raj: *yes you are right but Shaktiman can remove it from his memory.*

Minister: *don't worry. I have told him to run away.*

And the Representative was Behiroop.

He goes to Earth and disguise himself as a small Child and goes to meet Super Shaktiman.

Super Shaktiman: *Who are you?*

Child (Behiroop): *I am a child and I want to know where do you live and what is your second identity?*

He was crying.

Shaktiman secretly told and proved him that his identity is Ramlal. And then he tries to remove it from his memory but he runs and disappears and reaches the Jhooth planet. He thinks it as a mystery. Thinks like an illusion. But later he learnt that it is not illusion. So he tried to search him. He went like a tornado. But he was unable to find. Tired badly he went to Gurudev and asked help from him

Super Shaktiman: *Gurudev please help me* (He starts narrating the story about that mysterious child).

First Gurudev thought it as an illusion but later he also believed it.

Through their mediatation powers they try to find that child and learn that he was lastly seen 2 hours before.

Super Shaktiman: *Gurudev I will travel back in time with the help of my yogic powers.*

Shaktiman travels back in the time. And reaches 2 hours before.

He reaches the place where Shaktiman was chasing the child. So he becomes Invisible and follows him till the planet Jhooth. Then the child that now became Behiroop says that

Behiroop: *His second identity is Ramlal Raj.*

But suddenly he gets fainted by Super Shaktiman. And becomes a tornado and removes this secret from everybody's memory.

Asatya Raj: *You removed this secret from our brain but how will you escape from hear.*

And then he attacks him through Asatya Mani. Then he remembers that He was attacked by Paapilal and also

He remembers that

(Flashback)

Gurudev Vineet: *Son, remember that despite having very much powers you have a weakness.*

Super Shaktiman: *What weakness Gurudev?*

Gurudev Vineet: *Your weakness is a Asatya Mani, which is strong due to Lie,corruption,darkness and sins in the world. Be careful from it because near it you can't speak also and if it will be for long time then you can also die.*

Super Shaktiman: *Is there any solution for it?*

Gurudev Vineet: *Yes if you will reduce Lie, corruption, darkness and sins in the world then it will automatically become very weak.*

Super Shaktiman: *OK gurudev.*

And then he is not able to move and becomes weak badly. And he automatically reaches the present time.

Gurudev: *Oh no Ramlal reached back to the time.*

Member: *But how Gurudev*

Gurudev: *Because while chasing the Behiroop he has passed the 2 hour time.*

Member: *Oh. So what should we do Gurudev.*

Gurudev: *Over there Asatya Raj has captured and also torturing through the Asatyta Mani.*

Member: *Oh no how will we save him.*

Gurudev: *We should create a small light to attack the Asatya Mani through a Yajna.*

They started doing this work and sent that light to Jhooth Grah. Thus, the light fights against him. And Gurudev talks with Shaktiman through Telepathy.

Super Shaktiman- *Gurudev*

Gurudev- *Yes son. Please escape otherwise you can die.*

Super Shaktiman: *Super Shaktiman is not scared of death and Asatya Mani but I accept your order.*

And he runs from there and escapes and reaches the Earth but slowly he starts becoming weak. And falls in Himalayas little far from Dharma Rakshak Caves. Some students of Dharma Rakshak see him and bring him to caves.

Students: *He is Super Shaktiman. Let us take him to caves.*

Gurudev understands the problem.

Member: *What is the problem? Gurudev.*

Gurudev: *When he was attacked with Asatya Mani. Little bit rays of Asatya has been mixed in his body, so if the Chakras rotated more then he would become a dangerous man. So he automatically fainted and before he regains consciousness, remove his Hearty Circle and through a Yajna his Hearty circle will become normal.*

Super Shaktiman regains consciousness and learns about the problem in his Hearty Circle. Thus, till late night he sleeps and after sometimes Gurudev wakes him and tells him about the problem of hearty circle is removed and he had gained some powers also.

Super Shaktiman takes hearty circle and suddenly through yogic powers he try to bring back his powers. His all the Chakras rotate and give him powers. Then Gurudev tells him about some new powers.

Gurudev: *You have got some new powers.*

Super Shaktiman: *What are the new powers?*

Gurudev: *The new powers are –*

Super Shaktiman: *Means I can create a new fictional Ramlal.*

Gurudev: *Yes*

Super Shaktiman: *OK now give me permission to go back to my city.*

Gurudev: *Ok Ayushman Bhava.*

And then Shaktiman goes back to city. But over there he sees that Sam is searching for Ramlal

Sam: *Inspector you can't even find Ramlal. And where is Super Shaktiman.*

Inspector Naktode: *It is not that much easy sir.*

Super Shaktiman: *Can I help you Sam.*

Sam: *Please find my friend Ramlal.*

Super Shaktiman: *OK*

Super Shaktiman uses his new power. He goes to secret area and over there he creates a fictional Super Shaktiman and himself transforms into Ramlal and goes to Sam.

Super Shaktiman(Fake): *Hey Sam I have found your friend Ramlal.*

Sam: *Thank You Shaktiman and Ramlal where were you.*

Ramlal: *I was finding you. And do you know(He starts irritating Sam)*

Super Shaktiman : *OK I am going.*

And he reaches Ramlal's Room and disappears.

After this he sleeps and have to wake up quickly.

RAMLAL'S OFFICE IN FIRE

Meanwhile, in Jhooth Grah everybody except Behiroop forgot second identity of Super Shaktiman. So Behiroop tol that he knew but Asatya Raj wanted proof for it.

Behiroop: *But how will I prove it Asatya Raj.*

Asatya Raj: *Set a place o fire where Ramlal works, if Shaktiman will come in absence of Ramlal then we will come to know this secret.*

Behiroop: *OK Asatya Raj.*

Behiroop sets building in fire. Ramlal escapes and hides and transforms himself to Super Shaktiman. But actually Sam sees him so to protect himself he creates a fictional Ramlal and then removes the secret from Sam's memory. Then he becomes tornado by keeping his both hands in position like blades of fan and rotating. Then he carries all the employees of the office including Boss Peter Kawade.

Meanwhile, Behiroop was seeing everything from a roof of a building. But he had spotted both Ramlal and Super Shaktiman together. Due to lot of destruction Super Shaktiman promises to give 50 lakh from 1 crore which he was having in his account. Fake Ramlal goes and disappears and real Shaktiman (transformed as Ramlal) comes back.

Even Behiroop is punished for it. And on the other hand, Super Shaktiman promises to donate INR 0.5 crore that he had to Mr Kawade for rebuilding of the office.

BHOOTIYO-THE GHOST MINION.

In Asatya Raj's palace a ghost named Bhootiyo (who was once a demon and was killed by King Asatyapal) came to meet him. And asked Asatya Raj that

Bhootiyo-*Asatya Raj I want to kill Sathyapal.*

Asatya Raj-*But I had killed him years ago.*

Bhootiyo-*But I think he is reborn.*

Asatya Raj-*Yes, you are right he is born as a savior of Dharma in this Yuga as Super Shaktiman. Go and possess his body and then kill him.*

Bhootiyo-*As you say. Asatya Raj.*

On the other hand on Earth there was a special day celebrated by Dharma Rakshak committee known as Dharma Rakshak Sthapna Divas, also on this day Super Shaktiman and King Asatyapal was born. There was a function organized by Dharma Rakshak Committee. Also various types of rituals were done and even cake was cut by Super Shaktiman.

After some time Super Shaktiman was giving a speech then suddenly Bhootiyo comes and possesses Shaktiman's body. And then he starts behaving like a demon in double personality.

Super Shaktiman-*I will kill everybody and not leave. What is happening with me?*

Everybody was scared with him. Sam even asked him.

Sam-*What happened to you? Why are you behaving like this.*

Super Shaktiman-*I don't know how but something dangerous has entered my body. I will kill you Sam.*

Sam runs away from him. And even Super Shaktiman's soul is thrown out of his own body by Bhootiyo. And using Shaktiman's body Bhootiyo causes lot of destruction in city.

Shaktiman(soul) goes to Himalaya to Dharma Rakshak Committee and asks help from Gurudev Vineet. He narrates whole story to Gurudev. Gurudev tells him to meditate without soul. Thus Shaktiman does it and his soul becomes powerful. Then he learns a very new technique to create a temporary body with five elements (air, earth, fire, sky and water).

Gurudev Vineet-*It is very simple just say a mantra and then you could create a temporary body which can exist for 24 hours. But the only thing is that you should learn to control it.*

Super Shaktiman-*Sure Gurudev.*

In a very few time he learns about how to control the new body. Thus then he goes to Bhootiyo and fights with him. There fight goes for long time and then Shaktiman leaves the body and then the souls fight with each other. And then with his cleverness Shaktiman enters his body and then locks his body so that any sould couldn't enter. And then they both fight with each other and then Super Shaktiman throws Bhootiyo in hell. And then everything becomes normal.

THE STORY OF KING SATYAPAL

One day, Ramlal was meditating before sleeping so Gurudev Vineet talked to him via telepathy. He told that

Gurudev Vineet- *Ramlal, can you hear me.*

Ramlal- *Yes Gurudev, how are you?*

Gurudev Vineet- *Will you come to meet me I want to tell you the story of King Satyapal.*

Ramlal- *Gurudev I will try to come for 2 days on Saturday and Sunday.*

Gurudev Vineet- *Thanks Ramlal. Be happy (blessing)*

On the Friday night Ramlal (disguised as Super Shaktiman) flies to Himalaya to meet his Gurudev. Then he asks his first question from him.

Super Shaktiman- *Who is king Satyapal?*

Gurudev Vineet- *You are yourself Satyapal, reborn as Super Shaktiman. Let me narrate his story*

Almost 6000 years ago there was a king named Aradhyapal who got 2 sons. They were named by an astrologer as Asatyapal and Satyapal. Astrologer predicted that Asatyapal will be a destructive descendant and Satyapal will be a respectful descendant. So believing the words of the astrologer King Aradhyapal announced that

Aradhyapal- *I announce that after me your new king will be my smallest son Satyapal.*

As Asatyapal was feeling jealous and thus caused destruction with the help of king's enemy and also killed his father King Aradhyapal. But Satyapal who was the new ruler was very strong and protected them. There were many battles in which Asatyapal and his army were defeated. And then there was arrival of Kali Yuga so he created his own world in a new solar system far from our Milky Way, known as Jhooth Planet and then he named himself Jhootha. Even it was due to one of Guru of Asatyapal who made him corrupt.

Years after Satyapal donated some money to Gurudev Puneet who was his friend in his Gurukul and also son of his Guruji, also he was ancestor of Gurudev Vineet. And then they established a committee known as Dharma Rakshak Samuday. Which was established for welfare of people and reduce sins. While the Guru of Asatyapal who was brother of Puneet created another committee known as Adharma Rakshak Samuday.

But once Satyapal had turned old but Asatyapal didn't turn old due to the special yajna and he created a mani(gems) known as Asatya Mani, also he had a condition that he can only be killed or die if sins will be less than 50% on Earth. Through which he would increase sins . One day Satyapal was meditating in a forest and then while in meditation he attacked from back and killed him. When Dharma Rakshak members and Gurudev Puneet came to know about it then he was very sad and he predicted that.

Gurudev Puneet- *Our King Satyapal is the one who will be reincarnated after 6000 years as a savior of world and will bring back the Satya Yuga (Golden Age).*

After years he retired himself in forest and then he also died. Thus, this was the story of Satyapal and Asatyapal.

After narrating Gurudev stops and it is evening time so Gurudev and Ramlal do a Pooja and also a yajna and then they sleep.

Next morning it is Sunday and after meditation, bath and pooja they start to listen the story of mystery behind Super Shaktiman's biological parents.

Gurudev Vineet- *Shaktiman do you know about your biological parents.*

Super Shaktiman- *Yes little bit, that my parents were in ship when I was 6 days old. But Ship sank by accident and my parents died but kept me on wooden log thinking that it would float towards palace but instead it went towards Manjugram.*

Gurudev Vineet- *No ship didn't sank by accident, actually your father Manjulal was a very nice owner of that royal palace but his small brother Ganjalal wanted total control on that palace and so he killed your father and mother and also wanted to kill you but you were saved. Previously Ganjalal didn't wanted to kill but when Asatya Raj told him to kill so that he could kill you because he came to know that you are incarnation of King Satyapal.*

(FLASHBACK)

Ganjalal- *Who are you?*

Asatya Raj- *I am actually Asatyapal, you may have heard about me. If you want control on palace then kill Manjulal with his family. If you will kill I will give you little part of Asatya Mani.*

Asatya Raj also gave him but after years he came to know that you are alive. And he wants to kill you.

Super Shaktiman- *I will kill Asatya Raj and my uncle Ganjalal.*

Gurudev stops him and tells that he should kill sins not people. Gurudev tells that

Gurudev Vineet- *he has Asatya Mani and even Asatya Raj can only die if sins will decrease less than half of earth. But you can talk to your uncle and if he did something wrong then you can kill him.*

He is about to go but Gurudev stops him and reveals a secret that

Gurudev- *This is your second body*

Super Shaktiman- *What?*

Gurudev- *Yes, when you were meditating for years then that forest was burnt in which your body was burnt but your soul didn't go to neither hell nor heaven. It was still meditating, but one of Gurudev Nispaksha who is friendly, Requested nature to give him a body made up of 5 elements otherwise he would curse so you have a special and unique power through which you can separate your body into 5 elements and mix them with environment.*

Thus, he was shocked with his powers, he learnt it and then Gurudev blessed him and then he went to meet his uncle.

He entered that palace and came over there. He didn't know about Super Shaktiman. So he enters his chamber in that palace.

And then he calls him

Super Shaktiman- *Uncle (Chachaji) (Kakashri)*

Ganjalal- *Who are you?*

Super Shaktiman- *I'm your nephew.*

Ganjalal starts remembering the flashback in which he tried to kill him. Then Shaktiman says

Super Shaktiman- *I will tell you, what is the truth. The truth is that you wanted to kill my family including my parents and me. But you were unsuccessful as I was saved and my parents were killed.*

Using his cleverness he

Ganjalal- *I'm very very sorry Shaktiman for killing your parents.*
(And then he attacks through Asatya Mani that he was gifted by Asatya Raj)

He attacks Super Shaktiman for a long time and Shaktiman becomes weak. But after sometime he gets strong and then throws Asatya Mani far from Ganjalal. And then there is a fight between uncle-nephew. After a long time in his anger Shaktiman throws Ganjalal in the river Ganges near the palace and in that river Ganjalal dies.

And Super Shaktiman goes to Jhooth Grah and then through his power he cause lot of destruction in Jhooth Grah. Causing cyclones and floods in which Asatya Mani is lost and tells to Asatya Raj in his palace that

Super Shaktiman- *I have done this giving punishment to you and your planet because you killed my parents.*

And then he goes away from that planet. To meet Guruji on that Sunday night and then at night he goes back to his planet. His friend ask him “where did you go Ramlal?”

Ramlal Raj- *I went to my village to meet my Kakashri.*

INTRODUCING DR. CRAZE

As in Jhooth Grah the Asatya Mani was lost so Asatya Raj requested citizens of Jhooth Grah to find Asatya Mani.

Asatya Raj- *Whoever will find Asatya Mani we would reward them.*

Dr. Craze who was once a person from Earth had become evil because his luck was bad and he was the one who found the Asatya Mani and also requested for attacking on Earth. He also reveals his story.

Dr Craze- *I was a very nice student and wanted to become a scientist but due to lack of money I couldn't get admission in college. So due to this I became a sinner.*
